

Current status of OCW in JAPAN

Prof. Yoshimi Fukuhara
Keio University

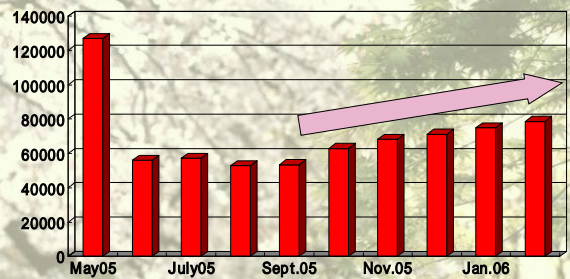

Number of Universities

Number of Courseware

Number of Visits

Characteristics/ Challenges of each Univ.

• Keio University

- All of the first published courses are in humanity and social science disciplines
- Japanese/Asian related courses has been mainly selected
- Every course is published in both English and Japanese
- One unique course about Keio founder, Yukichi Fukuzawa, is about to be published

Characteristics/ Challenges of each Univ.

• Kyoto University

- More than 60 courses will be launched newly within 2006
- System by which faculty members can launch their lecture directly should be developed
- To handle the copyright of the quoted contents.

Characteristics/ Challenges of each Univ.

• Nagoya University

- Direct link from University official site's top page
- Links from each School's/Graduate school's site
- Linkage with CMS (e.g. webCT) will be planned

Characteristics/ Challenges of each Univ.

• Osaka University

- Planning to Integrate OU-OCW with OU's Student Information System, Online Syllabus and Course Management System by the end of FY 2006.
- OU-OCW Project is now a part of Osaka University's Campus Wide e-Learning Infrastructure Development Project To guarantee a sustainable operating structure without increasing cost for OU-OCW.
- It is necessary to increase presence or awareness of OU-OCW among OU faculty.

Characteristics/ Challenges of each Univ.

- **Tokyo Institute of Technology**
 - More than 120 courses have been launched
 - Weighted course listing mechanism based on the access counts and the fulfillment of content requirements- e.g., "syllabus-only courses" get lower weight
 - Smart contents-registration support system which enables faculty members launch their course materials through the authentication process using IC cards

Characteristics/ Challenges of each Univ.

- **University of Tokyo**
 - Our policy: Quality matters more than quantity
 - Strategic selection of distinguished lectures
 - "University Lecture: Global Focus on Knowledge (GFK) series --- Science of Matter" by Nobel Prize winner Prof. Koshiba and the President Komiyama
 - "Gender Theory" by Prof. Chizuko Ueno, etc.
 - 26 courses - Japanese: 24, English: 22 - (April, 2006)
 - Lecture materials of 10 courses provided every year
 - 7 million hits and 200,000 visits (May, 2005 - April, 2006)
 - Technology
 - The installation of MIMA Search which enables us to get a panoramic view of our educational resources
 - Todai Podcast

Characteristics/ Challenges of each Univ.

- **Waseda University**
 - To negotiate with the oversea professors who were involved in multi-point distance learning courses
 - The system which allows faculty members to launch their lectures by themselves will be in operation this April.
 - All faculty members will be requested to select from internal disclosure, limited disclosure and/or OCW-disclosure.

Conclusion

- **Now we have more 2 member universities**
 - Hokkaido University
 - Kyusyu University
- **In near future we will welcome new member**
 - In detail to be announced shortly
- **Next session: Panel Discussion**
 - 1: Current Issues
 - 2: Future Vision
- **Thank you for your attention**
